AIMCHAMP ABRASIVES is a leading manufacturer and one-stop solution supplier of abrasive products.

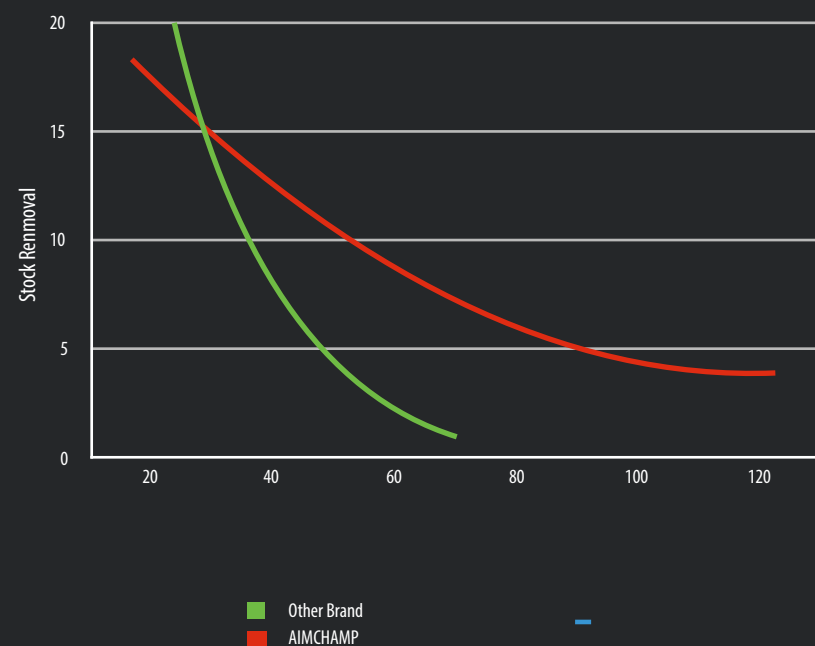

AIMCHAMP ABRASIVES has wide range of abrasive products meeting woodworking industry standards. The products include Jumbo Rolls, Sanding Belts, Flap Discs, Non-Woven abrasives, Velcro/PSA Discs, Sandpaper, Sponges, etc.

AIMCHAMP has become a recognized name in the abrasive industry. In R&D, our own research team is dedicated to developing new products to specific needs and market requirements.

We Focus On

4 High Efficiency and Low-Cost Product for One-Stop Abrasive Solution

AIMCHAMP ABRASIVES aims to be a global brand.
We are one of the
world's leading manufacturers of abrasive products.

Wooden Board-Chipboard

Chipboard

B636

Grain Silicon Carbide

Backing Y-Wt Polyester Cloth

Bonding Resin over Resin

Coating Semi-Close

- Advantage**
- Premier Silicon Carbide for Good Self-Sharpening
 - Excellent Stock Removal Rate
 - High Abrasive Performance
 - Specifically Suitable for Chipboard
